WHO WE ARE

Business Segment of GR Group

Founded in Beijing in 2001, GR Group listed its flagship entity GR Life Style on the Main Board of the Hong Kong Stock Exchange in 2014 (Stock Code: 00108.HK); the entity was renamed SR Medical this year. The Group focuses on four core sectors—Investment, Asset Management, Digital Healthcare, and Cultural Tourism—with cumulative investments exceeding RMB 50 billion and assets under management of over RMB 20 billion.

**Official Website: <https://www.guorugroup.com>*

Cultural Tourism

An engine for urban-rural lifestyle, blending art, leisure and vibrant community life. Core businesses: art centers, GR Space, MICE & events, boutique hotels & homestays, community leisure, organic farms, home services and customized tours.

Lifestyle & Digital Healthcare

In Dec 2025, GR Group acquired a 78.3% stake in SR Medical, entering the digital healthcare field, powered by a "space + health" dual-engine model.

Special-Asset Investment

A sharp eye for value with strong financial capability.
Core businesses: distressed-asset disposal, industrial services, digital technology, venture incubation and inclusive finance.

Asset Management

Strong real-estate operation & management expertise. Core businesses: asset management, commercial operations, property management, green buildings, entrusted development and real-estate development.
