

ISAD
INTERNATIONAL SOCIETY OF ATOPIC DERMATITIS

Global aspects of Atopic Dermatitis

An ISAD symposium at #WCD Singapore 2023

PROGRAM OF THE MEETING

Monday, July 3rd, 2023
08:30 am ~ 12:00 pm

Location

World Congress of Dermatology Singapore 2023
Pan Pacific, Ocean rooms 1-3 (Level 2)

Objectives

The symposium aims at delineating challenges in the management of AD in various contexts of resources worldwide according to region/country, from primary to tertiary care, and to discuss possible improvements in access to care and medications.

Who can attend?

All registrants of #WCD Singapore 2023 can attend this Sister Society meeting.
225 places are available without registration.
